NAUTICAL INFORMATION

In the morning, we will begin our approach to the coast of Hispaniola, where we will embark a pilot who will assist us during the docking maneuver at the port of Puerto Plata. San Felipe de Puerto Plata is the capital of the Puerto Plata province in the Dominican Republic and one of the country's most important commercial ports. In the afternoon, we will begin the undocking maneuver, and once we're out of the bay, we will set a course southeast to continue our navigation toward the Puerto Rican coast.
