### **TOGETHER, WE'RE MAKING A DIFFERENCE!**

Welcome to a ship that cares, where guests join together, donating just US\$1 per cruise each to build health and hope for people and planet. And don't forget, we match that donation, doubling your impact! For more info, visit the MSC Foundation Centre or [mscfoundation.org](https://mscfoundation.org).

### **NAUTICAL INFORMATION**

In the afternoon, we will cast off, and once we're out of the channel, we'll navigate through the Florida Straits, heading southeast towards the Santaren Channel, the waterway between Andros Island (Bahamas) and Cay Sal Bank, the westernmost of the great Bahama banks. The Florida Straits is the name for the stretch of sea between the Florida Keys (USA) and Cuba. It's 93 miles (150 km) wide at its narrowest point between Key West and the Cuban coast and has been surveyed to a depth of 6,000 feet. This section of the sea is crossed by a powerful warm current that originates in the Gulf of Mexico.
