MSC CRUISES DAILY PROGRAM

WELCOME TO OCEAN CAY

Today, we hope you enjoy our award-winning private island, Ocean Cay MSC Marine Reserve, a breathtaking oasis in The Bahamas. While on the island, you may notice ongoing enhancements underway to elevate the experience for our guests.

Over the next year, we will be bringing even more dining options to Ocean Cay, including a new specialty restaurant, entertainment and experience upgrades to Seakers Cove Family Beach, a dedicated adults-only retreat, additional cabanas, and interactive additions to our MSC Foundation's Marine Conservation Center.

These exciting enhancements, in addition to a second pier, will allow us to accommodate two ships on the island simultaneously by late 2027.

Whether you have an excursion planned or plan to spend your day at one of our stunning lagoons, we hope you connect with nature, relax, and experience the beauty of Ocean Cay.

We are committed to ensuring you have an enjoyable holiday, so please don't hesitate to reach out to our onboard crew or island staff if you have any questions.

Please note that smoking (including e-cigarettes) is not permitted on the island beaches. Smoking is only allowed in designated areas around the bars.
