Please refer to the symbol  throughout for full details of our Black & White feature events.

Toilet facilities reminder

Queen Elizabeth's toilet system is different from the ones you use at home. Our toilets operate under a vacuum system using a series of very narrow pipes. Only the toilet paper provided can be flushed down the toilet. Anything else will cause blockages and prevent toilets throughout the ship from working, including public areas and your stateroom. Please help us maintain the high standards you expect from Cunard and do not flush the following objects down the toilet, even if they are described as flushable: wet wipes, facial tissues, cotton wool, beauty wipes or hygiene products. Instead, please use the **"Sanitary Disposal Units,"** which you will find beside each toilet. We thank you for your co-operation.

Card and board games for self-checkout

Do you fancy a game to play? You may check out a deck of cards or one of many board games from our selection from the Librarian. Keep it as long as you like, but kindly return it when you have finished playing.

Prohibited items on stateroom balconies

For safety reasons and to protect and preserve the environment, no towels, clothing or any other personal belongings are to be left on the balcony.

Shipboard Air Conditioning

As Queen Elizabeth sails through the warm Caribbean, rising temperatures can affect the cooling efficiency of our air conditioning. To help keep indoor areas comfortable for everyone, we ask that you keep balcony doors closed when not in use and ensure doors to open deck areas are closed behind you. Thank you for your understanding and for helping us keep the ship cool and comfortable for all our guests.
