In the Port of Willemstad, Curaçao

Arrival Time 9.00am | All Aboard Time: 5.30pm

Port Highlights

Willemstad is the capital and largest city of Curaçao, an island in the southern Caribbean Sea that is a constituent country of the Kingdom of the Netherlands. It was the capital of the Netherlands Antilles prior to that entity's dissolution in 2010. The city accounts for around 90% of Curaçao's population, with 136,660 inhabitants as of 2011.

The historic centre of the city consists of four quarters: the Punda and Otrobanda, which are separated by the Sint Anna Bay, an inlet that leads into the large natural harbour called the Schottegat, as well as the Scharloo and Pietermaai Smal quarters, which are across from each other on the smaller Waaigat harbour. Willemstad is home to the Curaçao synagogue, the oldest surviving synagogue in the Americas. The city centre, with its unique architecture and harbour entry, has been designated a UNESCO World Heritage Site.

Shipboard Air Conditioning

As Queen Elizabeth sails through the warm Caribbean, rising temperatures can affect the cooling efficiency of our air conditioning. To help keep indoor areas comfortable for everyone, we ask that you keep balcony doors closed when not in use and ensure doors to open deck areas are closed behind you. Thank you for your understanding and for helping us keep the ship cool and comfortable for all our guests.

Stay Sun-Safe & Hydrated

As we sail through warmer climates, please be mindful of the hot and humid weather conditions.

- Apply sunscreen regularly, especially when spending time outdoors.
- Drink plenty of water throughout the day to stay hydrated.
- Wear a hat, sunglasses, and light, comfortable clothing for added protection.

Deck chairs/loungers

Deck chairs/loungers operate on a first-come, first-served basis and cannot be reserved. The deck chairs/loungers will be placed out on the deck weather permitting. For the consideration of all guests, please ensure you take your belongings with you when leaving a deck chair/lounger for a period of time, or they will be removed after 30 minutes and taken to the Purser's Office for collection.

Ship's security notice

In order to prevent unauthorised persons from boarding the ship, you are required to carry your Voyage card with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship.

Be aware that we have established a secure area around the vessel, and our security procedures require that you must be prepared to show your Voyage card when entering this area, in addition to showing it to the Security Staff at the gangway when leaving or boarding the ship.

We kindly ask you not to accept and bring on board any parcels or packages from strangers. Before boarding the ship, you may also be asked by our Security Staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that this security is in the best interest of all concerned.

Prohibited items on stateroom balconies

For safety reasons and to protect and preserve the environment, no towels, clothing or any other personal belongings are to be left on the balcony.

Pool towels

Pool towels are provided for the comfort and convenience of all guests. Guests are kindly reminded to return all pool towels taken ashore to ensure availability on another day and for other guest use.

Noise in guest areas

We kindly ask all guests to be respectful with regards to keeping noise to a minimum. Please try not to slam stateroom doors either into corridors or onto balconies, as guests around you may be resting. We are sure you will understand this small courtesy helps all to enjoy a relaxing voyage.

Water conservation

Water is a very precious commodity on a ship. Fuel is consumed while running our sea water evaporators, therefore we ask you to take extra care in avoiding any wastage. Please do not let taps run unnecessarily and report any leakages to your stateroom staff. Please do not pour excess shampoos or detergents down the sinks or showers as all our grey water is discharged into the sea. Place all unused detergents in your stateroom bins.
