In the port of Bonaire, Sint Eustatius and Saba

Arrival Time 7.00am | All Aboard Time: 4.30pm

Port Highlights

The islands of Bonaire, Saba and Sint Eustatius, known collectively as the Caribbean Netherlands, are Dutch 'special municipalities'. Together with the autonomous islands of Aruba, Curaçao and Sint Maarten, they form the Caribbean territories of the Kingdom of the Netherlands. Their population of around 29 000, is concentrated mainly in Bonaire. Tourism is the principal economic activity of the three islands, which are particularly popular with diving enthusiasts. The Bonaire services sector, the Sint Eustatius oil storage facility and the Saba faculty of medicine are also of great importance.

Preparing for disembarkation Miami - 5 November, 2026

To help make your disembarkation as smooth and efficient as possible, you have two options for leaving the ship.

Option 1: Carry Your Own Luggage

For guests wanting to expedite their disembarkation, we offer the possibility of carrying your own luggage through flexible disembarkation.

- You must be able to carry all your luggage without assistance.
- Select your preferred disembarkation time.
- Time slots are available every 30 minutes from 7.30am to 9.30am.
- Please do not register for flexible disembarkation if you require luggage assistance.

Option 2: Luggage Collection

If you require assistance with your luggage, use the main disembarkation process.

- Your time slot will be assigned based on your onward travel arrangements or, for independent travellers, your stateroom location.
- Time slots are assigned between 7.45am and 9.45am.

Personalised disembarkation information will be send to all staterooms on the morning of Tuesday, 3 November 2026.

Guests continuing their voyage will receive separate information regarding our call to Miami.

To register for flexible disembarkation, simply scan the QR code.

Stay Sun-Safe & Hydrated

As we sail through warmer climates, please be mindful of the hot and humid weather conditions.

- Apply sunscreen regularly, especially when spending time outdoors.
- Drink plenty of water throughout the day to stay hydrated.
- Wear a hat, sunglasses, and light, comfortable clothing for added protection.

Prohibited items on stateroom balconies

For safety reasons and to protect and preserve the environment, no towels, clothing or any other personal belongings are to be left on the balcony when the stateroom occupants are not present.
